Medical/Assist Calls	959
Fire Calls	618
Total Calls for Service	1577
Training Hours	2413
PR/Educational Activities	38

### 2023 TOTALS

Medical/Assist Calls	3632
Fire Calls	2606
Total Calls for Service	6238
Training Hours	10820
PR/Educational Activities	140+

## CFD2 FIRE TRAINING

Some CFD2 members participated in a trench operations class in Lawrence, KS. Training for trench emergencies keeps our firefighters up-to-date with regulations and standards, worker protection systems, safety, equipment, incident management and helps with rescuer awareness of the safety concerns during trench rescue/collapse situations. While trench collapses and rescues are a low frequency occurrence, they are a high risk situation that our specially trained firefighters need to be prepared for.

Firefighters recently participated in extrication training at the Advantage Recycling facility in KCK. We are so grateful for the opportunity to work closely with the facility, and be able to keep our firefighters fresh by utilizing their skills and learning new and improved ways to use extrication tools.

## Toys For Tots and Cereal Challenge

Thank you to everyone that donated to the Toys for Tots drive and the Cereal and PB & J challenge against Mission PD. Unfortunately, we lost...AGAIN to Mission PD for the cereal challenge, so we'll be making them a breakfast and a lunch (for last year's loss). CFD2 collected 354 items and Mission PD had 366. 90 families were assisted this year through the Mission Adopt-A-Family with the cereal challenge and we were able to collect over 300 items for Toys for Tots!

## ON THE JOB

Crews worked an accident involving an overturned semi. Luckily, there were only minor injuries. If you've ever wondered why firetrucks park at an angle, it is to protect other vehicles and responders and keep vehicles from driving past an accident, when responders need to work or take care of a scene or patient.

Crews worked a fire at the Nelson Wastewater plant on December 28th. There were no injuries and the cause of the fire is still under investigation.

## Achievements & Accomplishments

### CFD2 Milestone Anniversaries

Congratulations to the following CFD2 employees for reaching milestone anniversaries in the 4th quarter of 2023:

35 years - Battalion Chief Doug Gibson  
20 years - Lieutenant Dennis Costlow  
20 years - Lieutenant Jason Waller  
5 years - Division Chief Mike Morgan  
5 years - FF Medic Blake Rutherford  
5 years - Driver A/O Medic Shane Schulze
