Firefighter Intern

The Firefighter Intern position is designed for individuals currently enrolled in Firefighter I/II or EMR or EMT certification courses.

This internship provides hands-on experience in fire suppression, EMS operations, station duties, equipment maintenance, and emergency response support while preparing candidates for a future career in the fire service.

This internship is designed to last for the period of time - generally between 6 and 18 months - during which the Intern completes the Fire/EMS certifications required to be a Firefighter/EMT candidate.

Intern pay is \$20/hour, and interns will work 20 - 40 hours per week.

To be eligible for the Internship, the applicant must be actively enrolled in class to obtain EMR/EMT or FFI/FFII certification.
